

The logo features the word "playtime" in a bold, black, rounded font. The letter "p" is a vibrant pink color and is positioned as if it is falling into a black circular hole. The entire text is set against a bright yellow background that is shaped like a trapezoid, wider on the right side. In the top right corner of the yellow shape, there is a small blue rectangular tag with the letters "CO." in yellow, tilted at an angle.
